

# SUSPICIOUS BEHAVIOUR

There have been a few suspicious incidents around the Binton area which unfortunately has led to a theft from the outbuildings of a house in the village.

The incidents notified to Warwickshire Police suggest that this was not an opportunist theft, therefore if you see anything suspicious such as

- a car driving slowly through the village on *numerous* occasions
- individuals taking interest in a particular house and/or vehicle

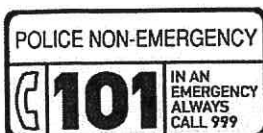

Please contact Warwickshire Police quoting incident number **WK-20151001-0194** via

101 (the non-emergency number)
